**CONSENT TO MEDIA RELEASE FORM**

Dear Parents/Guardians:

Communication is a vital part of the success of the Village at Ithaca. We are currently producing a newsletter to document the most recent events sponsored and developed by the Village at Ithaca. We want to share news about the organization in order to raise awareness about our initiatives.

One way to showcase achievements is to publish photographs in the newsletter. In order for images of youth to appear in our publications, we need written permission from a parent/guardian. Please be assured that we will not share the child's name or any other identifying information.

If you have any questions, please contact the Village at Ithaca on telephone (607) 256-0780 or email [coordinator@villageatithaca.org](mailto:coordinator@villageatithaca.org).

Sincerely yours,  
Village at Ithaca

The Village at Ithaca is primarily a volunteer community-based organization advocating for equity and excellence in Ithaca's public schools by developing strategic community relationships, programs, and services to ensure that students, particularly Black, Latino, and low-income students, consistently meet or exceed local and New York state standards of achievement. Since 2002, this grass roots initiative has been recognized for its efforts to address systemic issues and promote greater community involvement in public education (please visit <http://www.VillageAtIthaca.org>).
